

# RANDHIR SINGH

Contact: +91-8123996082 | [randhirsingh051@gmail.com](mailto:randhirsingh051@gmail.com)

## PROFESSIONAL SUMMARY

Versatile Full Stack Engineer with 8+ years of technical experience, combining technical leadership at JP Morgan Chase with creative expertise in illustration and animation. Proven track record in architecting scalable applications, implementing UX-optimised solutions, and delivering innovative digital experiences across global markets. Venturing into creative space to amplify narratives of climate change from marginalised and frontline communities.

## PROFESSIONAL EXPERIENCE

### Climate Diaries | Co-Founder

*May 2024 - Present*

- Leading technical vision and development of climate-focused digital solutions
- Building sustainable technology initiatives to drive environmental awareness and action

### Albela House | Resident Artist

*Oct 2024 - December 2024*

- RMF festival opening act: Sitar performance in collaboration with Theatrical performance
- Designed and conducted workshop on Painting: Hues of the Prism
- Designed and conducted workshop on sculpting: Sculpted
- Designed RMF website and created murals for the festival with additional promotional material for Albela house, a queer friendly abode set in the mountains.

### Org360 | Lead React Native Developer

*June 2024 - Jan 2024*

- Architected and developed an enterprise iOS chat application using React Native
- Implemented real-time messaging features, push notifications, and secure data handling

### JP Morgan Chase | Full Stack UI Lead Engineer

*July 2017 - October 2024*

- Spearheaded the redesign of Credit Research Application using Redux Framework, resulting in enhanced user experience and broader market adoption
- Established enterprise-wide coding standards and best practices for Investment Research Tech
- Received official recognition in JPMC Yearly Achievement Letter for excellence in Regulatory Reporting implementations

### Independent Creative Professional | Fiverr

*June 2020 - Present*

- Deliver high-impact illustration and animation projects for diverse global clients including NGOs, marketing agencies, and hospitality businesses
- Maintain 100% client satisfaction while managing multiple concurrent projects
- Portfolio: [fiverr.com/randhir051](https://www.fiverr.com/randhir051)

## Early Career Highlights
